This office action is in response to the amendment filed April 8, 2004. The changes to the specification and claims are acknowledged. Claims 1-14 and 16-78 remain. Replacement drawing sheets 1 and 8 are also acknowledged.

Allowable Subject Matter

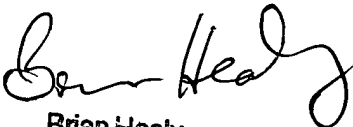

Claims 1-14 and 16-78 are allowed. Claims 25-78 remain allowed for the reasons set forth in the last office action. In that office action, claim 15 was identified as containing allowable subject matter but was objected to for depending from a rejected base claim. Since applicant has incorporated the subject matter of original claim 15 into claim 1, claims 1-14 are now considered allowable.
